- **Date of the visit:** 11/12/2024
- **Number of professionals receiving information concerning the kit:** 1
- **Pictures of the visit**

Not pictures allowed in the center!

The Feedback of 12 professionals was expressed directly to the staff experts and the collection of the feedback was standardized in the form of a questionnaire with questions about the content and about utility/applicability, with a measurement scale. The conclusions of the meeting were positive, most of them considered the material to be very useful for their profession.
